STORY

The grandeur of the interior will captivate you as soon as you enter George's Bar. Expertly designed by the best in the business, the iconic David Collins Studio.

Drop in for a drink under the majestic bells or book a space for larger groups before moving through to our main dining room. The sophisticated, welcoming and intimate space is the perfect setting for any occasion.

Embark on a journey with a carefully curated drinks list where every cocktail tells a story which is showcased throughout the year, with our signature cocktail of the month.

The house selection of wines from The Gilbert Scott and cuvées from Gosset, Champagne's oldest wine house, is but a small selection of drinks on offer. We invite you to come and enjoy a #DrinkWithGeorge.
